2.2 Background

a) Diu – The Sound of Silence

A paradise in its own right and situated off the southernmost tip of the Saurashtra Peninsula of Gujarat, Diu, the Isle of Calm is surrounded by the blue waters of the Arabian Sea on three sides and the picturesque Chasi on the North.

A traveller's 'El Dorado', Diu has some of the most breath-taking natural and man-made wonders packed within minutes of each other. Cocooned in an area of just 38.80 sq. kms; it has few small but beautiful beaches each carrying a different charm for an unforgettable experience.

Small but yet sublime, this tiny pendant of Saurashtra is steeped in immense history. The Mauryas, Chalukyas, Rajputs and Mughals have all shaped and affected its history but it is the distinct Portuguese impact of over four centuries, lasting right up-to the liberation of Diu in 1961 which is evident even today.

As a grand testimony to the strategic importance the island held for its rulers, the Diu Fort, built in the 16th Century by the Portuguese, stands engulfed in peace and silence as a witness of the fierce past.

Discover your Quantum of Solace at the peaceful and beautiful Naida Caves situated just outside the Fort Walls. As you descend from its natural opening through intriguing network of hollows and steps, be amazed as the natural light plays hide and seek through the openings in its ceilings.

One may indulge in a variety of activities or just laze around for your blissful sojourn!

b) The Campaign – ILHA de CALMA

A campaign was launched in February 2015 through various media platforms to make the place known to people who are looking to take a break and to create nationwide awareness.
